

The Boudoir Divas Workshop

May 2008

We are so excited about our upcoming workshop! We are intentionally keeping all of our workshops pretty small, so that we'll have plenty of interaction w/ each of you, and also so that we will have tons of time to answer all of your individual questions. Our workshops are capped out at a max of 30 people.

Timeline

TUESDAY 5/27 (evening)

- We'll meet you at your hotel and shuttle everyone to our studio at about 5:30-ish
- Studio tour
- Dinner provided
- Hanging out, getting to know each other

WEDNESDAY 5/28 (1st full day)

- Breakfast on your own
- We'll pick you up at the hotel & shuttle you over to our studio (about 8:45am)

- Light lunch provided
- Portfolio building: you'll have a chance to shoot our models on 3 of our most popular sets.
- Q&A time
- Evening will be ending at about 6pm
- Dinner on your own (we'll give you some suggestions- if you all get together to share a cab ride, there are a lot of restaurant options nearby).

THURSDAY 5/29 (2nd full day)

- Breakfast on your own
- Demonstration of our post-production workflow, from downloading to processing to album design (this will take up a good portion of the day)
- One-on-one mentoring: meet individually with Marissa to discuss questions, your business plan, goals, or any thing else you'd like to talk about.

The Boudoir Divas Workshop

Optional Day After Photo Shoot:

If you're thinking about staying for the morning shoot the day after the workshop, please let us know. We'll be booking a different model (to give you a little more variety for your portfolio). We'll meet that morning and drive up to Ramona (a small town about 40 minutes outside of San Diego). We have a private location there where we can shoot outdoors (it's so much fun!!!) Some of our favorite boudoir images were taken at this unlikely location. (The cost is \$135). Check out our blog to see some of the images from our last workshop - the location shoot was awesome! If you can make it, it will definitely help by adding interesting, edgy images to your portfolio!

Transportation

Transportation to and from the airport - we would suggest contacting the other workshop attendees to coordinate rides so that it's not too expensive. Recommended shuttle service that can drop you off at these hotels:

- Cloud Nine 1-800-9-SHUTTLE
- Orange Cab 619-223-5555

Where to Stay:

We've got a list of hotel recommendations that we'd be happy to send you; just shoot us an email and we'll send you a few recommendations.

Meals

If you're a vegetarian, or if you have any other dietary restrictions/allergies, please let us know. Thanks!

Portfolio

We are going to have time set aside for you to shoot one of our models using our sets, lighting, and props. (*Please be aware that we might not be able to allow topless/nude shots. We want to be sensitive and respectful of our models, so we will probably only be getting shots with lingerie). Our models will be signing a model release form for each of our workshop attendees, so that you may use these images on your website and other marketing materials.

Feedback and Questions

Please feel free to be completely candid throughout the workshop experience- we'd love it if you would share your thoughts, comments, and suggestions with us. We want to be open to critique so that we are always improving and growing, too! Thanks! Also, please ask anything you think of.

Our Goal

We are planning on sharing all of our secrets at this workshop (we won't hold anything back!) We want you to be free to ask us anything. We're all about answering questions, so if there's something that doesn't make sense, or if you're a little unclear about something we've said, please speak up and ask us to clarify! (*Even if you think it's a dumb question: ask it anyway!) We will never think a question is dumb. We are all at different points in this journey called running a photography business... and all of us are still learning! We hope to share some of the things that have made our boudoir business successful, but we are by no means saying we're experts. We're just 2 gals who know a thing or two about boudoir, and we're happy to share what we've learned with all of you.

What to Bring

- Your camera & a lens that you love shooting with
- Memory cards & card reader (*bring at least 4 GB so you have enough memory during our day of shooting)
- Laptop w/ Photoshop (*important for the day of post-processing!)

Studio Discount

If you'd like to bring a spouse or another employee from your studio, we'll offer a discounted rate (30% off). (Day-after shoot is still \$135 for the second person).
